RENEWED PETITION UNDER 1.47(a)

Sir/Madam:

Pursuant to 37 CFR §1.47(b), applicant hereby requests that the above-identified application be accepted as a complete application.

The above-identified application names Gaëlle Rey (hereinafter, "Mrs. Rey") as a joint inventor and claims priority under 35, USC, §120 of US application No. 10/111,506 filed April 23, 2002, and claims priority under 35 USC §365(c) to International Patent Application No. PCT/FR01/02669 August 24, 2001 and further claims priority under 35 U.S.C § 119 to French Patent Application No. 00/10943, filed August 25, 2000. A copy of the Declaration from the parent case US application No. 10/111,506 was filed on June 12, 2004, but not clearly identified as a copy of the Declaration from the parent. A copy of the Declaration from US application No. 10/111,506 is enclosed herein.

Responsive to the Decision on Petition mailed from the Patent Office on August 11, 2004 Applicants offer the following proof that the non-signing inventor, Gaëlle Rey, cannot be found or reached after diligent effort.

In accordance with the Decision on Petition, contact was made with the Human Resources Department of STMicroelectronics in Grenoble, through our associate in France, in an attempt to locate Gaëlle Rey. The address given to the Human Resources Department by Gaëlle Rey was 49, Rue du Vercors, 38000 Grenoble, France. Correspondence was previously sent to

**BEST AVAILABLE COPY**

Mrs. Rey, at this address on September 19, 2002 and June 14, 2004 and were not successful. Documentation regarding the mailings has previously been filed in the Patent Office.

As suggested by Paul Shanowski, Senior Attorney in the Office of Petitions, in the Decision on Petition, we asked our associate in France to endeavor to find a "new address" for Gaëlle Ray on the Internet phone book. The Associate located only two persons with the same or similar name, a copy of these results is attached hereto. On January 27, 2005 I had my secretary telephone both of the persons on this list. My secretary asked Gaëlle Rey, the person answering the telephone at 04 76 75 93 66 if she was the "Gaëlle Rey formerly employed by STMicroelectronics". Ms. Rey said that she was not. My secretary then called 04 76 09 18 16 and asked the person answering the telephone if she was the "Gaëlle Rey formerly employed by STMicroelectronics". Ms. Rey said that she was not.

I then had my secretary call, 04 42 02 90 58, 03 85 86 19 09, 04 78 83 65 54 and 01 49 24 03 29 the telephone numbers found on our in-house internet search for "Gaëlle Rey" anywhere in France and ask the person answering the telephone if her name was "Gaëlle Rey and if she was employed by STMicroelectronics". Each Ms. Rey said that she did not work for STMicroelectronics.

The above demonstrates that a diligent search has been made for Gaëlle Rey and she cannot be located. The undersigned thus respectfully requests that this application be accepted as a complete application.

Should any questions arise concerning the foregoing, please call the undersigned at the number listed below.

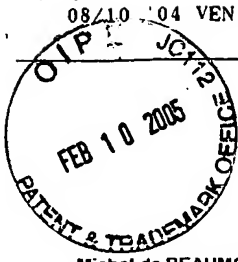

Respectfully submitted,

*Marty et al., Applicants*

Dear Jim,

We acknowledge receipt of your fax dated September 21, 2004.

We understand that the US Patent Office requests that a more detailed search be conducted to locate Mrs. Gaëlle Rey.

We have telephoned to the Patent Department of ST Grenoble. This person had contacted by phone the Department of Human Resources of ST Grenoble in October 2002 and the previous colleagues of Mrs. Rey. The only address that Mrs. Rey gave when she left ST was 49, Rue du Vercors 38000 GRENOBLE. As indicated in our letter of October 17, 2002, Mrs. Gaëlle Rey never received the letter that ST sent to her at this address for the signature of the Declaration and Power of attorney and assignment (we sent to you a copy of the acknowledgement of the French Patent Office of the concerned registered letter on October 17, 2002).

We have tried again to find the "new address" of Gaëlle Rey in Grenoble and around. We only found two persons with the same name and with the same first letter in the surname (copy of the result of our search). However, we are not able to know if one of these persons is Mrs. Gaëlle Rey. Neither our Office nor ST is able of conducting a more complete investigation on Mrs. Rey.

Very truly yours,

  
Michel de Beaumont
